

# Paying for a Licence

## Paying at the Bank

### Step 1

After completing the driver's licence application you will be presented with options for payment. Select the 'Bank' payment option.

### Step 2

Print the acknowledgement slip containing your transaction number and payment details.

### Step 3

Proceed to the bank with your acknowledgement slip to make payment.

### Step 4

Obtain a payment confirmation slip from the bank indicating that your payment is successful.

# Paying for a Licence

## E-payment (eWallet, credit card, debit card)

### Step 1

After completing the driver's licence application you will be presented with options for payment. Select either the 'eWallet', Visa Credit / Visa Debit or Interswitch payment option.

### Step 2

Log in to your 'eWallet' account using your User ID and password. If you do not have an 'eWallet' account you will be required to create one.

### Step 3

Click the 'Bill' tab and select 'Active Bills' from the provided list. A payment page showing your application details and amount to be paid will be displayed.

### Step 4

Click the "Pay" button on the payment page to proceed with the payment process. A page displaying your application details and selected payment option will then be displayed.

### Step 5

Input the required details for your selected payment option and click the payment button.

### Step 6

A message will be displayed indicating the success or failure of your payment.
